Model:
DRGM24

Griddle
24" - Propane Gas

Features & Benefits

Strong & Durable Structure

- Stainless steel front, sides, splash guard and plating zone.
- Heavy duty metal knobs with heat protection grips.

Burners:

- Stainless steel J burner with a capacity of 30,000 Btu/hr each.
- One burner per section of 12" (305 mm) with an individual control.
- One pilot per burner for instant ignition.

Griddle plate:

- Highly polished 1/2-inch thick steel plate maintains temperature and recovers quickly.
- Total working area of the 20" (506 mm) plate for increased cooking surface and high production performance.
- Splash guard frame for easy cleaning.

Grease traps:

- Stainless steel structure that prevents corrosion from food moisture.
- Removable crumb tray for easy cleaning.
